## Insurance

**Medicare:** If you are covered by Medicare, we will submit your claims to Medicare on your behalf. After Medicare makes its payment, we will bill your supplemental insurance carrier for the remaining balance. If you do not have supplemental insurance, you will be responsible for the balance.

**Medi-Cal:** We will need a copy of your Medi-Cal Beneficiary Identification (BIC) to verify eligibility and process your Medi-Cal claim. You should be aware that the Medi-Cal program excludes payments for restricted services. Any applicable share of cost are the responsibility of the patient.
